

USEFUL CALCULATORS & CHARTS

Calculators & Charts

Yield Conversion Charts (FREE!)

NZWTA can provide charts which will make the conversion from one Commercial yield to another a synch! Send us an e-mail and we will send you a copy.

TM testing@nzwta.co.nz

Colour Converter (FREE!)

NZWTA has a small Excel spreadsheet which makes conversion of colour results from C2 to D65 quick and easy. Should you want this spreadsheet for your own use, please send us an e-mail and we will send you a copy.
